## Group Exercise Class Descriptions:

**Barrelates:** Join the ballet fitness workout craze that's transforming bodies. This class is a fusion of ballet conditioning, strength training and Pilates. With the use of light weights and sou ballet principles, you will develop lean muscles, gaining definition in all the major muscle groups as well as improve posture and core strength.

**Body Shred:** Step-up and get yourself in shape right now! This is a HIIT workout designed by Jillian Michaels to shred those extra pounds. Join us for a 30-minute intense circuit flanked by a warmup, core work and cool down that will leave you feeling strong and powerful.

**Boot Camp:** This class combines intense cardio circuits with fierce boot camp drills that'll have you running through ladders, jumping over hurdles, using medicine balls, resistance training and intense core strength and conditioning drills. By using circuits and teams this class is sure to bring out the competitor in you challenging you to do your best and to attain the results you are looking for.

**Cardio/Strength:** This class involves a crossover of core training and strengthening exercises with a thorough cardio workout/boot camp style circuits. The routine will change each week to offer something fresh and energizing.

**Fit+:** This class combines resistance training, flexibility, balance, and stability exercises and strong cardio segments. Senior-friendly.

**Gentle Yoga:** Regardless of age, body type, or fitness level, Yoga is a total body workout that improves posture, increases strength, circulation, and relaxation and enhances flexibility. You will be introduced to a variety of methods and learn all the fundamental poses and more. Great for beginners.

**Group Power:** A Full-body strength class choreographed to great, contemporary music. Take the GP challenge and gain more muscle mass, burn calories more effectively, and feel STRONGER!

**Health Enhancement:** This non-traditional group exercise class combines group warm-up and stretch with an array of choices for building cardiovascular endurance and strength. It is a great way to meet your individual goals and still receive the benefits of group motivation.

**Pilates (Mat/Small Apparatus):** By using the body's own resistance, a series of movements are performed which are designed to improve circulation, breathing, posture, and body awareness. These classes incorporate equipment such as resistance bands, rollers, stability balls, and sometimes weights to help you achieve the results you are looking for.

**Pi-Yo Fusion:** This class combines a fusion of Pilates and Yoga poses as well as Core exercises to improve your posture and balance, increase flexibility, and lengthen your muscles.

**Silver Sweat Senior Workout:** This class is an exciting senior class that combines resistance training, flexibility exercises, cardio and social opportunities.

**Spinning (Indoor cycling):** Join us for a ride on our indoor cycling bikes. Classes are technique based, focusing on cadence (Rpm), heart-rate zones, sport specific drills, climbs and sprints that make for an unpredictable and challenging ride. With the cadence/mileage/heart rate monitors you will receive the biofeedback you need to set and reach the goals you desire.

**Spin Lite:** A great cardio cycling class geared toward the beginner. You will learn how to ride with rpm, wattage, and kcal meters on a quick, and fun 40-minute ride. Try it!

**Vinyasa Flow Yoga:** In this yoga class students will synchronize breath with movement. Movements will be in continuous flow focusing on individual strength, energy, and flexibility.

**Yoga:** A regular yoga practice will help transform your mind and body, ultimately helping you find inner calmness and peace. Enhance your strength, balance, flexibility and stability. Leave feeling stronger and more centered.

## Aqua Class Descriptions:

**H2O Beat Boot camp:** It's a H.I.I.T.! Challenge yourself to a high intensity interval training workout in our "liquid gym" to the beat of popular music tunes! Water exercise is an excellent modality to train the body or to cross train, all while being gentle on the joints. Take your fitness to the next level in this 60 minute water class! Adjustments are made for all levels of fitness and ages. Additional equipment is utilized to tone, sculpt and strengthen. Your body will appreciate this workout!

**H2O Boot camp Express:** This class is an express version of our 60 min. H2O Boot camp. It combines strength training and aerobic conditioning with water resistance to give you an awesome overall body workout in just 50 minutes! Adjustments are made for all levels of fitness and ages. Additional equipment is utilized to tone, sculpt and strengthen. Your body will appreciate this workout!

**Wet Sweat:** A class for everyone, especially for those with joint ailments or injuries. Get fit with this fun, water workout. A deep water aqua conditioning class that incorporates body weight and water resistance exercises. Adjustments are made for all levels of fitness and ages. Additional equipment is utilized to tone, sculpt and strengthen. You will leave this 45 minute class feeling stronger and refreshed!
